Collection and processing of data

Any access to our website and any retrieval of a file deposited on this website will be recorded. The storage serves internal system-related and statistical purposes. Logged: Name of the retrieved file, date and time of the retrieval, transferred data volume, message of successful retrieval, web browser and requesting domain. Additionally, the IP addresses of the requesting computers are logged. Further personal data will only be collected if the user of the website and / or customer makes voluntary information, e.g. in the context of a request or registration or to conclude a contract or through the settings of his browser.

Cookies

Our website uses cookies. A cookie is a text file that is sent when you visit a website and is temporarily stored on the hard disk of the user of the website and / or customer. If the relevant server of our website is called again by the user of the website and / or customer, the browser of the user of the website and / or of the customer sends back the previously received cookie back to the server. The server can then evaluate the information obtained by this procedure in various ways. Cookies can, for example, control advertising inserts or facilitate navigation on a website. If the user of the website and / or customer wants to prevent the use of cookies, he / she can do this by locally making changes to his / her settings in the Internet browser used on his computer, i.e. the programme for opening and displaying Internet pages (eg Internet Explorer, Mozilla, Firefox, Opera or Safari).

Use and dissemination of personal data

If the user of our website has provided personally identifiable information, we will only use it to respond to requests from the user of the website and / or customers, to deal with the user of the website and / or customers of closed contracts and for technical administration. We will only pass on or transmit personal data to third parties if this is necessary for the purpose of contract processing or for billing purposes, or if the user of the website and / or customer has previously consented. The user of the website and / or the customer has the right to revoke a consent given with effect for the future at any time.

The deletion of the stored personal data takes place if the user of the website and / or customer revokes the consent to the storage, if their knowledge for the fulfilment of the purpose pursued is no longer required or if their storage is prohibited for other legal reasons. Data for billing purposes and for accounting purposes are not affected by a deletion requirement.

Right of access

On written request, we inform the user of the website and / or the customer about the data stored for him / her. The enquiry is to be addressed to our address in the imprint of the website.

Google Analytics

This website uses Google Analytics, a web analytics service provided by Google, Inc. ("Google"). Google Analytics uses so-called "cookies", text files which are stored on your computer and which allow an analysis of the use of the website by you.
